Amendment Under 37 CFR 1.111 and 1.115

In response to the official action mailed August 19, 2002, kindly amend this application as follows:

In the Title

Rewrite the title to read as follows:

--Packaged Condoms--

In the Claims

Kindly cancel claims 13-18 without prejudice, and amend the following claims.

- A¹
- 1. (amended) A package containing a condom and an antiviral composition which comprises:
- a) an effective amount of a microbicidal agent to prevent sexually transmitted diseases;
 - b) an acidic buffer in an effective amount for maintaining the composition at a pH not greater than 5 for the site of administration; and
 - c) an effective amount of wound healing and diffusion impedance compound which is a member selected from the group consisting of dextran sulfate, chondroitin sulfate, pentosan polysulfate, glucosamine glycan, sulfated and sulfonated polymers and a hyaluronate.
2. (amended) The package of claim 1 wherein said hyaluronate is hyaluronic acid.
3. (amended) The package of claim 1 wherein said microbicidal agent is selected from the group consisting of nonoxynol-9, octoxynol-9, acyclovir, benzalkonium chloride, and aprotinin.
